*The Edge Room gives exhibitors and media a simple, online communication tool*

**New York and Minneapolis – January 13 2009** – Incisive Media Events, host of the largest technology trade show and conference in the legal industry, and Edge Legal Marketing, a Minneapolis-based marketing and public relations firm serving the needs of companies targeting the legal market, today announced they would partner for the second consecutive year to bring exhibitors and media closer together at LegalTech New York, scheduled for February 2-4, 2009. This partnership brings The Edge Room – a modern take on the old press room -- to LegalTech New York. The Edge Room enables exhibitors to easily upload their company information and show announcements, and gives media attending the event electronic access to view this information and plan their meeting itineraries for the event.

Media registered to attend LegalTech New York will be given a unique username and password to access the information submitted by exhibitors at the event. They will be able to plan their time prior to attending the show, and will have online access to view and download information on the companies in attendance and any information exhibitors submit.

Vendors interested in submitting information to this secure site can visit [www.TheEdgeRoom.com](http://www.TheEdgeRoom.com) after January 13th to see the directions posted online. The deadline to submit information to this online database will be Sunday, February 1, 2009.
